1

Scan checks from any desktop

Using a desktop check scanner, simply scan both sides of the check in a single pass.

2

Prepare the deposit

View images of the scanned checks right from your PC. The dollar amounts for the checks are automatically read and the deposit is totaled.

3

Electronically send deposit to the bank

Click SUBMIT DEPOSIT. The deposit is sent to the bank through a secure Internet connection.

4

Funds are deposited into your account

Easy Deposit is like having a 24-hour bank teller right in your office!
