

CONNECTICUT
COMMUNITY BANK, N.A.®

Notice to All Our Customers

Transaction Limitations Extended

In May, due to changes to Regulation D which limited the frequency of transfers from Savings and Money Market accounts, Connecticut Community Bank eliminated limitations on transfers from all Savings and Money Market accounts for the period of May 1, 2020 through October 31, 2020.

Connecticut Community Bank has chosen to extend this suspension until April 30, 2021.

Consequently, unlimited withdrawals or transfers will continue to be permissible from Savings accounts and Money Market accounts to another account at Connecticut Community Bank or to third parties by preauthorized, automatic or personal computer (online banking or mobile banking) including those made by check, debit card, draft, or similar order to third parties until April 30, 2021.
